

Greater Victoria School District No. 61
2021-22 Request for Parent Education Funding

For:

Introduction

The Greater Victoria School District subscribes to the belief that BC public schools are learning communities where students, parents, educators, support staff and community members share the responsibility for student success. Parents have insight, e

Community Impact

Specify the awareness and reach of the plan: (will the event be offered and promoted to other school communities?)

Our School Community
